## SUMMARY

Dedicated and enthusiastic computer science student with passion for applying my computer knowledge and mathematical principles to define technical solution requirements. Motivated to learn from seniors while sharing innovating ideas that values personal growth.

## SKILLS

**Languages:** C, C++, Java(Basic), HTML, CSS, Bootstrap, JavaScript, react.js.

## PROJECTS

JAVA	<b>Student Registration System</b> This project showcases my proficiency in Java programming, object-oriented design, and the development of interactive systems. It highlights my skills in data management, algorithm implementation, and user interface design.	<a href="https://github.com/Himanshu3418/Student-Registration-System">github.com/Himanshu3418/Student-Registration-System</a>
Bootstrap	<b>TinDog Website</b> This project serves as a testament to my knowledge in web development, encompassing HTML, CSS, and Bootstrap for responsive design as a front-end design. Through TinDog, I demonstrated not only technical skills but also a keen understanding of user-centric design principles and front-end development.	<a href="https://himanshu3418.github.io/TinDog/">https://himanshu3418.github.io/TinDog/</a>
JavaScript	<b>Drum Kit</b> This web project is a Drum Kit simulator created with HTML, CSS, and JavaScript. It features a set of buttons representing drums, each producing a unique sound when clicked or triggered by keyboard input. Overall, it provides a simple and enjoyable virtual drumming experience for users.	<a href="https://himanshu3418.github.io/DrumKit/">https://himanshu3418.github.io/DrumKit/</a>
JavaScript	<b>Basic Calculator</b> Designed and implemented an interactive web-based calculator utilizing HTML, CSS, and JavaScript. The calculator supports basic arithmetic operations, exponentiation, logarithms, factorial calculations, and more. Implemented a toggle feature for advanced functions, showcasing skills in user interface design.	<a href="https://himanshu3418.github.io/MyCalculator/">https://himanshu3418.github.io/MyCalculator/</a>

## EDUCATION

06/2022-Present	<b>Bachelor of Computer Applications, BCA</b> Birla Institute of Technology, Lalpur	8.49GPA
05/2018-04/2020	<b>PCM, HSC</b> DAV Kapil Dev Public School, Ranchi	83.4
07/2005-04/2018	<b>SSC</b> DAV Public School, Pundag	87.6

## ACHIEVEMENT

Code Calibur ITER- AIR 5

## LANGUAGES

English , Hindi

## HOBBIES

Painting, Guitar, Photography, Cricket, Badminton.
